The response filed on 5/20/2008 has been entered.

##### ***Allowable Subject Matter***

1. Claims 1-11 are allowed.

The following is an examiner's statement of reasons for allowance:

Regarding independent claims 1 and 7, the prior art of record neither shows nor suggest a lamp comprised of, in part, an outer envelope around said lamp vessel, said outer envelope comprising a reflective film fully coating said outer envelope, said reflective film being adapted to transmit a first part of the visible portion and a second part of the infrared portion, said second part being greater than said first part, and a cap having one section for supporting the outer envelope, along with the rest of the limitations of the claim(s).

Due to their dependency, claims 2-6 and 8-11 are necessarily allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
